Downing Symphonic Band Official Fee Sheet 2020-2021

As with other elective courses at Downing, it is necessary to charge an Activity Fee to cover needed items and expenses which school budgets are simply not large enough to accommodate. This is a required fee for each Symphonic Band Student enrolled in the DMS Band.

Some fees are specific to a group of students. In addition, due to the ever-changing situation, some fees have not been included, but will be assessed as necessary. A Band Booster Officer or Band Director can help with clarification. Please email the Band Booster treasurer if you would like to schedule payment installments. We want all Downing students to feel welcome and participate in the band.
