Downing Symphonic Band Official Fee Sheet 2022-2023

As with other elective courses at Downing, it is necessary to charge an Activity Fee to cover needed items and expenses which school budgets are simply not large enough to accommodate. This is a required fee for each Symphonic Band Student enrolled in the DMS Band.

A Band Booster Officer or Band Director can help with clarification. We want all Downing students to feel welcome and participate in the band. A request for financial assistance is included in the packet.
